Skill India or the National Skills Development Mission of India is a campaign launched by [Prime Minister Narendra Modi](#). It is managed by the National Skills Development Corporation of India.

Mission

Skill India campaign was launched by [Prime Minister Narendra Modi](#) on 15 July 2015 to train over 30 [crore](#) people in [India](#) in different skills by 2022.

Initiatives

Various initiatives under this campaign are:

- National Skill Development Mission
- National Policy for Skill Development and Entrepreneurship, 2015
- [Pradhan Mantri Kaushal Vikas Yojana \(PMKVY\)](#)
- Skill Loan scheme
- Rural India Skill

Partnership concept[\[edit\]](#)

UK has entered into a partnership with India under skill India programme. Virtual partnerships will be initiated at the school level to enable young people of these country to experience the school system of the other country and develop an understanding of the culture, traditions and social and family systems. A commitment to achieve mutual recognition of UK and Indian qualifications was made.[\[4\]](#)

Skill India Developments

16 April 2022: India's first Skill India International Centre will be set up in Bhubaneswar for training youths with an aim to enhance overseas opportunities for the skilled workforce. A memorandum of understanding was exchanged between the [National Skill Development Corporation \(NSDC\)](#) and the [Skill Development Institute \(SDI\)](#) on Saturday in presence of Union Skill Development and Entrepreneurship Minister Dharmendra Pradhan.

The recent systematic literature review conducted by Cabral and Dhar (2019)[\[6\]](#) has identified the significance of skill development wherein the implementation of such schemes mitigate poverty, utilize demographic dividend, socio-economic empowerment of under privileged sectors, achieve economic growth, reduce social challenges, and economic inclusion. As far as institutional mechanism is concerned, the National Skill Development Corporation (NSDC), Ministry of Skill Development and Entrepreneurship and the scheme - Prime Minister Kaushal Vikas Yojana (PMKVY) have resulted to achieve considerable results, but not achieved the expected outcomes. The study argues the essential requirement of skill development to achieve technology adoption and women empowerment in the country.
